## I'm Glad

I envy not their acres wide,  
The luxury in which they ride,  
The palaces where they abide,—  
I'm glad that I am I.

For I have health, and work and play,  
Rich thoughts laid by for rainy day,  
And a good companion on the way,—  
I'm glad that I am I.

And I have bonds no bank can buy,  
In friends who hold my friendship high,  
In bairns with laughter in their eye,—  
I'm glad that I am I.

And my life's call is clear to me,  
The other soul is dear to me,  
The Great Good God is near to me,—  
I'm glad that I am I.
